

Argan Honey Hair Mask

a replenishing and clarifying hair treatment

Ingredients

- 2 ounces (60 ml) Organic Virgin Argan Oil
- 2 ounces (60 ml) Shea Butter Shampoo Base
- 1 tablespoon (30 ml) Honey Powder or Liquid Honey
- 1/4 teaspoon (1.25 ml) Rosemary Essential Oil
- 1/4 teaspoon (1.25 ml) Arnica Flower Total CO2 Extract

Makes about 4 ounces (120 ml) - enough for 1-2 uses

Directions:

1. Combine ingredients in small bowl and whisk together.
2. Use immediately or transfer to sealed jar or bottle and refrigerate until use.

Usage & Packaging

- To use, massage into dry or towel-dry hair, starting at the ends of the hair and working toward the scalp. Pin or tie hair on top of head and cover with shower cap or damp towel to keep moist. Allow mask to set for up to thirty minutes, then rinse with warm water.
- This recipe is fairly stable as-is, but should be refrigerated unless a preservative is added. The finished mask can be made in larger batches and preserved with additional formulation and challenge testing.
