

Cranberry Tangerine Lip Balm

a sweetly scented lip tint with cranberry

Ingredients

- 18 grams Candelilla Wax Pellets
- 11 grams Mango Butter
- 18 grams Cocoa Butter, Deodorized
- 30 grams Cranberry Seed Oil
- 30 drops Cranberry Flavor Oil
- 30 drops Tangerine Essential Oil
- 1/2 teaspoon Bordeaux Lustre Mica

Makes about nine 0.3-ounce tubes or six 1/2-ounce jars

Directions:

1. Heat candelilla wax in a double-boiler until fully melted.
2. Add cocoa butter and mango butter. Heat until melted, then stir together.
3. Remove double boiler from heat. Add cranberry seed oil, cranberry flavor oil and tangerine essential oil and stir again.
4. Add mica powder and gently whisk to break up any clumps.
5. Allow mixture to cool, if needed. (If you are using plastic containers, let the mix cool to about 120 degrees F or less to help prevent your containers from warping.)
6. Stir again immediately before pouring mixture into containers. Let lip balms cool and harden completely before capping.
